### President's Message

Elaine Johnson

Last month's meeting saw the Guild at its best, giving a loving send-off to a late member, and sharing yarn bequeathed by her. Thanks to Angela, who acted as a representative of the Guild to Marie's family, and who made it possible for us all to take home yarn and equipment we'll treasure in Marie's memory. Thanks also to all who helped by taking yarn and cleaning up.

We gained a member in June, thanks to Carita. My message to all of you remains: each one bring one! Talk the Guild up to fellow knitters, offer to drive them, think in terms of growing our membership.

Have a great meeting this month! I'll see you next month, with reports of the Marin and Sonoma Fairs.

See you in August!

Warmly,

Elaine Johnson  
President

## July Program

### Operation Gratitude Knitting

This month we take time out and finish knitting the scarves for Operation Gratitude

### July Pattern:

This adult sweater in bust sizes 32 to 52 is an adult version of Elizabeth Zimmermann's top down baby sweater. It's knit from worsted weight yarn on size 8 needles and has an easy lace pattern on the sleeves and body. [Cautionary note: the estimates for yardage seem very skimpy -- I don't know anyone who can get a 52" sweater from 1100 yards of yarn.]

### Red, White and Blueberry Shortcakes

- 1 can (16.3 oz) Pillsbury Grands, Shortcake, or Homestyle refrigerated biscuits
- 2 tbs butter or margarine, melted
- 4 to 5 tbs. granulated sugar
- 1 cup whipping cream
- 2 tbs powdered sugar
- 1/4 tsp vanilla
- 1 pint (2 cups) fresh strawberries, sliced
- 1 pint (2 cups) fresh blueberries

Heat oven to 375°. Separate dough into 8 biscuits. Dip top and side of each in melted butter, then in granulated sugar. On ungreased cookie sheet, place 2 inches apart. Bake 13 - 17 minutes r until golden brown. Cool 5 min.

In small bowl, beat whipping cream until soft peaks form. Gradually add powdered sugar and vanilla, beating until stiff peaks form.

To serve, split biscuits; place on 8 dessert plates. Layer each with strawberries, blueberries and whipped cream.

### Knit Tip

#### **Low Tech Database**

I took an oversized roll-a-dex and made a tab for each weight of yarn — lace, worsted, bulky, etc. I then made one card for each yarn in my stash. On each card I taped a sample of the yarn and wrote the total yardage, yards per ounce, fibre content and style and color number. If I had room and an extra label, I pasted on the label. So now when I need 400 yards of double knitting, all I have to do is flip through the index.
