From President Lois

Hi, all knitters,

I came away from last months meeting so enthused about sock knitting. I hope you did too.

I have many more questions to ask about sock construction, cast ons, and number of needles used 2-4-or 5. Leg down or toe up patterns.

The sharing of books and

knitted socks seemed to energize all of us.

My appreciation for sock knitters has increased 100%. Thank you all for your participation.

Bring more of your questions and answers to the June meeting.

Remember to take photos for our website if you have a camera.
