Joanne has a loom available for the taking. No one expressed any interest at this time.

The book Principles of Knitting by June Hemmons Hyatt is available for silent auction starting at \$25, it would make a wonderful gift for a knitting friend. Proceeds from the sale go to the guild.

Nazee gave out the last of the business cards, we will look into having some more made at Vista Print.

### PROGRAM

Joann Aruzo presented a program on adding pockets to knitted garments. Joann showed us a sample and explained the procedure. She referenced Elizabeth Zimmerman's "Afterthought Pocket". Lois showed us a pocket she made using a pocket lining, the instructions are available on You Tube. We are grateful to Joann for this informative program.

## ABOUT OUR ORGANIZATION...

The Marin Knitters' Guild was formed in 1987 as the local chapter of The Knitting Guild of America (TKGA) to promote craft and workmanship of knitting. Today we are an independent organization of over 25 enthusiastic knitters, crocheters and other crafters. While our name states Marin Knitters' Guild, today our membership hails from the counties of San Francisco, San Mateo, Solano and Sonoma as well as Marin.

Knitters with all levels of experience are welcome to participate. We encourage beginners to join and learn from the experienced. The Guild draws on talent and expertise of its membership and the knitting and fiber-arts community at large for programs and workshops.

Visitors are welcome to all Marin Knitters' Guild meetings. We ask that you join us with your paid membership on your second meeting, so that we may continue to support our programs. Dues are \$30 annually, payable at the September meeting, and include a monthly newsletter containing the previous meeting's minutes.

We have mini-workshops in most meetings offered by experienced guild members or local knitting teachers. In addition, we work for charitable causes, group projects and go on fun field trips. From time to time, we invite National teachers to have workshops for us. These workshops allow for a more intensive study of design or technique.

We meet at every Second Saturday at Corte Madera Town Center, 770 Tamalpais Drive, Room 201 (Community Room).
